Agenda for meeting on 19-3-2020

Project: 1-2 Crazy Putting
Date: 19/3/2020
Group number: 4
Group members: René Steeman, Aaron Schapira, Ivan Poliakov, Jean Janssen, Matthijs Kusters, Hoaran Luan
Chair: René Steeman
Secretary: Jean Janssen

1. Opening at 10:20
2. Minutes last meeting
   a. Remarks from group: none
   b. Remarks from tutor (1 minute)
3. State of the project (8 minutes)
   a. Completed tasks/milestones
   Finished: function parser, course input-output module, main menu, course designer
   In progress: physics, in-game UI, resetting the ball after hitting water, game modes, merging/bug fixes, presentation, out of bounds, UI and terrain improvements
4. Planning (3 minutes)
   a. Things to do before the next meeting: physics, in-game UI, resetting the ball after hitting water, game modes, merging/bug fixes, presentation, out of bounds, UI and terrain improvements.
   b. Everyday we 'meet' at 9:00 to talk about what we'll do that day and the progress so far and there'll also be a short meeting at 19:00 about our progress that day.
   c. Planning of the complete phase

René	3D model for ball and pole (in-engine)				
Aaron	Menu UI / Course desginer				
Ivan	2 Game modes + Course input-output module + help on physic				
Jean	In-game UI				
Matthijs	Function parser + physics				
Huan	Game rules				
Description	16-mrt	17-mrt	18-mrt	19-mrt	
3D models for ball and pole (in-engine)					
Game rules (scoring, keeping track of shots and hitting the water)					
Function parser					
Physics					
In-game UI for shooting					
Course input-output module					
2 Game modes					
Menu UI / course designer					
Make it a game / merge / bug fixing					
Presentation					
Handle being out of bounds					
UI and terrain improvements (if time allows)					

5. Any other business (3 minutes)
   a. From group: We still can't had in file nor see the deadline. What is the deadline for handing in the code and could we do this by mail?
   b. From tutor
6. Chair/Secretary for the next meeting. There is no next meeting for this phase.
7. Closing at 10:40
